the Canadian Pacific.

## Of Interest to Shippers.

New York, May 20.—A Washington  
special to the Post says: "A decision will  
probably soon be rendered at the Treas-  
ury Department which will be of equal  
interest to shippers, consumers and  
railroad companies. For a considerable  
period the Canadian Pacific has been  
endeavoring to obtain from the Treas-  
ury Department permission to bond  
goods on the steamship line which  
runs from San Francisco to Port  
Moody, the western terminus of the  
Canadian Pacific. The importance of  
such order will be seen, when it is un-  
derstood that goods shipped in bond  
from San Francisco to Port Moody,  
could be carried under the same bond  
to any place within the United States  
over the Canadian Pacific. Permission  
to bond goods over this line, therefore,  
is in effect permission to the Cana-  
dian Pacific to transport merchandise  
from the Pacific Coast to any desired  
point in the United States, at such  
rates as it may fix. This would give  
the northern lake and frontier cities of  
the United States, all of New England  
and New York State, a through trans-  
continental line, whose rates could not  
be controlled by the inter-state com-  
merce act, and which, therefore, would  
not be obliged to submit to the require-  
ments of the long and short haul clause.  
The advantages of such a route to  
shippers, especially if at the expiration  
of the term of suspension of the fourth  
section, the inter-state commerce act is  
to be put into effect on transcontinental  
roads, will be best understood by ship-  
pers themselves. Those who represent  
the Canadian Pacific are confident that  
permission to bond this steamship line  
will be obtained in a few days.

## The Train Robbery.

WACO, Texas, May 20.—The following  
particulars of the train robbery on the  
International & Great Northern rail-  
road at McNeil station have been  
learned: Twelve mounted men did the  
work, and they went at it with so much  
system and their plans worked so well  
that they secured a large amount of  
money from the Pacific Express Com-  
pany. A passenger on the train says:  
"When the train pulled out of McNeil  
station, it was found that the agent and  
two gentlemen were in charge of the  
robbers who were well mounted and  
armed. The robbers had rolled a log  
in front of the engine and the engine  
and fireman were guarded by some of  
them, while others proceeded to fire  
into the top of the cars. The passen-  
gers were told that if they kept quiet  
they would not be molested. One  
passenger was shot in the hand and  
a brakeman named White had his  
cheek grazed by a bullet. The express  
agent refused to open the express car,  
and the robbers broke open the car  
door and knocked the express man  
down. The safe was broken open and  
robbed. The amount of money ob-  
tained was variously estimated at from  
\$21,000 to \$35,000. After the robbers had  
secured the 'bundle' they told the  
trainmen to roll the log off the track  
and they could go. After robbing the  
train they mounted their horses and  
rode away. The train was delayed only  
about half an hour.

## Mob Strikers.

PITTSBURG, May 20.—A serious phase  
in the coke strike at Everson was de-  
veloped this morning, when a mob of  
300 negroes and Hungarian miners,  
armed with bludgeons, suddenly ap-  
peared in the coke yard at Jintown,  
works of Col. Shoemaker. Without  
warning, they made a savage attack on  
the men engaged in drawing out coke  
from the ovens there. Such laborers as  
could not escape were brutally beaten,  
one man being so badly kicked that his  
life is despaired of. Having destroyed  
all movable property the rioters then  
marched to the works of James Cochran  
& Sons and destroyed property there.  
The total destruction of property will  
probably amount to \$50,000.

## The French Crisis.

PARIS, May 20.—It is thought likely  
that M. Rouvier and N. D. (Wes) will  
enter the ministry under M. De Frey-  
tinet.  
Members of the Chamber of Deputies  
are deluged with telegrams from the  
provinces, demanding that General  
Boulanger be retained in the ministry  
of war. Mr. Rochefort, in *l'Intransigeant*,  
proposes that a vast petition be signed  
demanding General Boulanger's reten-  
tion. Others propose, as a demonstra-  
tion in his favor, that General Boulanger  
be elected on Saturday next as a  
member of the Chamber of Deputies,  
notwithstanding his ineligibility.

## Going a Fishing.

WASHINGTON, May 20.—The President  
accompanied by Mrs. Cleveland, Mrs.  
Folsom and Col. and Mrs. Lamont, will  
leave Washington for Saranac Lake, N.  
Y., next Thursday, for a fishing trip.

## Horses Burned to Death.

race horse George L. and seven other  
horses were burned to death last night

cattle pier fire.

cleanse the system, to act on the Liver,  
Kidneys and Bowels gently yet thor-  
oughly, to cure Headaches, Colds, and  
Fever, to ease Constipation, Indiges-  
tion, and kindred ills.

## Excited Canadians.

TORONTO, May 20.—The closing scenes  
of the extremely exciting discussion of  
the question of a commercial union  
with the States, stirred up the blood  
of the factions to white heat. Mr.  
McDonald's resolution was carried by an  
overwhelming majority. The pre-  
vious question was then carried, after  
which a wild rush was made for the  
doors, while the "oyal Coterie" took  
possession of the floor and shouted the  
national anthem at the top of their  
voices. The result of the meeting prac-  
tically closes the discussion of the ques-  
tion of reciprocity by the board.

## Vicar Quinn's Will.

New York, May 20.—The will of  
Vicar-General Quinn was filed for  
probate to-day. He leaves \$1,000 for a  
monument in the Calvary plot in Calvary  
cemetery and \$500 for masses for his  
soul. After minor bequests to friends  
and relatives, he directs that his library  
go to the pastoral residence at the  
cathedral. The rest of his estate is to  
be paid in equal shares to "Little Sis-  
ters of the Poor" in New York, the  
Roman Catholic orphan asylum in New  
York, the Ureline Convent in Mor-  
risania, and Sisters of the Poor, at St.  
Francis.

## To Include the D. &amp; R. G.

state commerce committee has enlarged  
the suspensory order in the case of the  
Union Pacific and Southern Pacific  
railroads so as to include the Denver &  
Rio Grande company.
